These monthly meeting records were abstracted from the originals in the 1930's by W. W. Hinshaw of Washington, D. C.

After Hinshaw's death, the unpublished material was deposited at the Friends Historical Library, Swarthmore College, Pennsylvania. This collection is known as the William Wade Hinshaw Index to Quaker Meeting Records.

The following record has been transcribed from a microfilm copy of this Index. As this copy is several generations removed from the original - doubtful entries should be verified by checking the original record books.

These books (or microfilm copies) may be found in the Friends Historical Library.

# HISTORY OF HADDONFIELD MM, N. J.

The nucleus of the meeting that later became Haddonfield MM, N. J., was composed of the following persons who organized an expedition to America from Dublin, Ireland-- Mark Newby, Thomas Thackara, Wm. Bates, with their families, and George Goldsmith and Thomas Sharp, a young man. They settled at Newton and were joined by Robert Zane. There was a meeting immediately set up and held at the house of Mark Newby. This was in the year 1682. The Newton Mtg. house was built in 1687 on land purchased from Thomas Thackara.

Haddonfield MM was formerly known as Newton. A note by one S. Smith in a book entitled "A Retrospect of Early Quakerism"- by Ezra Michener, says that after 1695 the meetings were held alternately at Newton and the house of Thomas Shackles "perhaps near to Haddonfield". In twelfth month 1721 the Haddonfield Mtg. house was built on ground given by one John Estaugh, where they met thereafter.

Haddonfield or Newton MM was organized under Gloucester and Salem QM. This QM was divided into two mtgs., in 1794, one being called Haddonfield. This quarter included the following MMs; Evesham, Haddonfield, Great Egg Harbour & Cape May.
